

# Jinghui YU

Department of Economics, Lancaster University

[j.yu17@lancaster.ac.uk](mailto:j.yu17@lancaster.ac.uk) ♦ [Website](#)

## RESEARCH INTERESTS

---

Applied Econometrics; Statistical Modelling; Text and Language Data; Innovation and Productivity; International Macroeconomics.

## EMPLOYMENT

---

### Lancaster University - United Kingdom

- Research Associate - Statistician, Department of Linguistics and English Language 2026 - 2027
  - Developing and evaluating zero-inflated models and multivariate statistical methods for sparse text/language data in a UKRI-funded interdisciplinary project.
  - Contributing to statistical package development, team training, manuscripts, and research outputs.
- Doctoral Research Associate, Department of Economics 2022 - 2026
  - Conducted applied macroeconomic research on technology diffusion, innovation shocks, productivity, and labour-market dynamics using panel data, local projections, and structural VAR methods.
  - Developed and managed cross-country and sector-level datasets covering OECD and BRICS economies, using sources including PATSTAT, EU KLEMS, IMF DOTS, OECD STAN, and Penn World Table.

## EDUCATION

---

### Lancaster University - United Kingdom

- PhD in Economics 2022 - 2026
  - External Examiner: Thomas Sampson (LSE)
  - Internal Examiner: Stefano Soccorsi (Lancaster University)
  - Chair: Mirela Miescu (Lancaster University)
- MSc in Economics (Merit) 2021 - 2022

## INVITED TALKS & POLICY ENGAGEMENT

---

- 2026 Department for Business and Trade (UK Government), London  
The Economic Statistics Centre of Excellence (ESCoE), ESCoE Conference on Economic Measurement, London
- 2025 National Institute of Economic and Social Research (NIESR), Brown Bag Seminar, London  
Competition and Markets Authority (CMA), CMA-Durham Workshop, Durham

## JOB MARKET PAPER

---

Pre-Grant Patents and Innovation Diffusion [[Working Paper](#)]

## PUBLICATION

---

Yu, J., & Cao, W. (2024). China's Strategic Interest in Guyana's Oil: Present Engagement and Future Outlook. In J. Mair & A. Beck (Eds.), *Oil Dorado* (Edition 7). London: Bite-Sized Books.

## WORK IN PROGRESS

---

**Global Technology Shocks and Labour Dynamics: Aggregate and Sectoral Evidence from OECD Countries** [[Slides](#)] [[Presentation - from 1:31:34](#)]

**Selecting Relevant Factors in Stock Option Returns** — with Boen Liang (University of York)

**Political Turnover Shocks and Regional Investment** — with Weiran Cao (University of Liverpool)

## RESEARCH EXPERIENCE

---

### Advance Macro Research, United Kingdom

*Junior Research Fellow*

2025 – Present

- Contributing to applied macroeconomic research and cross-country macro data analysis.
- Supporting data construction, validation, and empirical analysis within established models.
- Assisting with interpretation and preparation of research outputs and concise analytical notes.

### London School of Economics and Political Science, United Kingdom

*Visiting Research Fellow, Cañada-Blanch Centre*

May 2025 – July 2025

- Refined Chapter 2, *Global Technology Shocks and Labour Dynamics: Aggregate and Sectoral Evidence from OECD Countries*, and presented at the LSE–Miguel Dols Fellows' Workshop.
- Studied international innovation diffusion through meetings with LSE and UCL faculty, strengthening the regional and policy-relevant perspective.
- Developed and completed Job Market Paper, *Pre-Grant Patents and Innovation Diffusion*.

### Lancaster University, United Kingdom

*Research Fellow, Financial Econometrics, Asset Markets and Macroeconomic Policy*

Oct 2022 – Oct 2026

- Presented PhD research chapters at the departmental Macro Reading Group and incorporated feedback into revisions.

### Good City Foundation, Hong Kong SAR

*Policy Intern, Digitalisation and Future Skill Research Group*

Jun 2021 – Sep 2021

- Co-authored and presented a policy brief on digitalisation and labour upskilling in Hong Kong to senior staff, government officials, and corporate stakeholders.
- Led and coordinated an international research team on digitalisation and labour market transformation.

## TEACHING EXPERIENCES

---

### Department of Economics, Lancaster University - United Kingdom

- **Associate Teaching Fellow, AdvanceHE**
- Teaching Assistant to *ECON124: Economics for Business* 2022 - 2026
- Teaching Assistant to *ECON101: Principles of Economics and Application A* 2025 - 2026

- Teaching Assistant to *ECON102: Principles of Economics and Application B* 2023, 2026

### NeoScholar Education (International Research & Teaching Programmes) — China

- Teaching Assistant to Prof. Ariel Ortiz-Bobea, *Economics of Sustainable Development* 2022 – 2023
  - Delivered small-group teaching and provided assessment support for undergraduate students.
- Teaching Assistant to Prof. Pablo Guerron, *Economic Growth* 2019 – 2020
  - Led weekly after-class tutorials for five student groups (three students per group).
  - Supervised group coursework structured as a research project, providing guidance through completion.

### GRANTS AND AWARDS

---

#### Lancaster University

- Research Travel Grant, Graduate College 2024 - 2026
- Departmental Research Travel Grant, Department of Economics 2023 - 2026
- Lancaster University Management School Conference Grant Scheme 2026

### CONFERENCE PRESENTATIONS

---

- 2026** 32nd Conference on Computing in Economics and Finance  
 International Economic Association (IEA) World Congress  
 Annual Conference of the Scottish Economic Society  
 33rd Symposium of the Society for Nonlinear Dynamics and Econometrics (SNDE)  
 European Regional Science Association British & Irish Section, 4th Annual Online Early Career Colloquium
- 2025** RSA Regional Futures Conference  
 Lancaster University Macro Reading Group  
 PhD-Economic Virtual Seminar Job Market Paper Series  
 LSE-Miguel Dols Fellows' Workshop Spring  
 MMF PhD Conference  
 Durham University Business School Doctoral Conference: AI and Digital Technologies in Business  
 Lancaster University Department of Economics Internal Seminar  
 Lancaster ETM Workshop  
 Macroeconomics Research Unit Seminar Series, University of KwaZulu-Natal  
 NWSSDTP PhD Conference, University of Manchester
- 2024** NWSSDTP PhD Conference, Lancaster University  
 RES Easter Training School, University of Bristol  
 RGS Doctoral Conference in Economics, University of Duisburg-Essen  
 PhD-Economic Virtual Seminar Series  
 Lancaster University Macro Reading Group  
 Lancaster University Graduate College PGR New Cafe

### OUTREACH AND SERVICES

---

#### Journal of Geoeconomics

- Referee 2025 - Present

#### Royal Economic Society

- Mentee, Women's Mentoring Programme 2024 - 2025

- Member 2023 - Present

#### Scottish Economic Society

- Member 2023 - Present

#### PhD - Economics Virtual Seminar (PhD-EVS)

- Co-organiser 2023 - Present

#### ESCP Business School - France

June 2025

- Guest Panel Member for Xiaohu WU's Master's Thesis Defence titled "*Debt Monetization Shocks in a Dual Economy with Urban-Rural Heterogeneity: A DSGE Approach.*"

#### TECHNICAL SKILLS

---

**Programming and Statistical Software:** Stata, MATLAB, R, Python, RATS, EViews,  $\text{\LaTeX}$ .

**Methods:** Applied econometrics, local projections, structural VARs, panel data methods, zero-inflated count models, sparse multivariate data analysis.
